Original Product Type Certificate Number See attached FAA Approved Model List (AML)

Make: No. ST02064LA for list of approved model types

Model: and applicable airworthiness regulations

Description of Type Design Change: Installation ECE Substitute Halogen Lamp as a replacement for nose gear and/or wing landings and nose gear taxi lights in accordance with Hollingsead International AML No. ST02064LA, Revision N/C, dated July 20, 2007, or later FAA approved revisions.

Limitations and Conditions: This approval is limited to aircraft that have been modified in accordance with Hollingsead International STC ST02064LA. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any of those previously approved modifications will not introduce any adverse effect upon the airworthiness of that aircraft. A copy of this STC must be included in the permanent record of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
